

CAST

From God With Love

Three young people:

Kim, Bobby and Joey.

*Their names allow them to be boys or girls.

One Angel to sing first verse opening song (if desired) and place first gift on stage.

2 unlikely looking Angels who don't speak but present specific comic mime in between songs and dialogue (one of these could perform the task of the angel above).

A Holy Spirit person. He stands to the side of the dialogue, invisible to the other cast members, but audible.

Chorus consisting of as many people as available or can fit in the performing area.

You may use different classes for each song, or you may use your choir for all of them.
